Rainbow of Colors

A
WIPE-OFF
Activity Book

Dear Parent,

Practice and repetition are essential to building strong learning skills. The more your child practices these skills, the more likely he or she is to enjoy academic success and confidence in school.

The Care Bears® Wipe-off workbooks are designed to give your child the practice and repetition needed to master early math and language skills. The beloved Care Bears characters inspire and encourage children on a learning adventure. Each book is filled with 24 pages of fun, educational activities that your child will delight in completing—then wiping off and doing all over again! These wipe-off workbooks can be used with wipe-off crayons or any water-based marker. The sturdy pages allow endless hours of learning enjoyment.

The **Rainbow of Colors** Wipe-off book includes activities for:

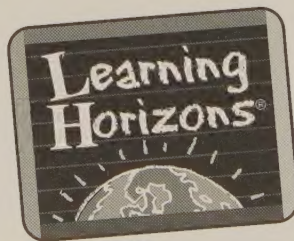

- Identifying the seven basic colors of the rainbow spectrum plus white
- Color word recognition
- Beginning handwriting practice

You can aid your child's learning progress by guiding him or her through the book and reviewing completed work. Offering encouragement and praising both success and efforts helps to make your child's learning experience happy and positive.

Congratulations on fostering your child's educational development.

Sincerely,

Your friends at
Learning Horizons

Colorful Butterflies!

Colors can make
happiness happen!

The Care Bears live in a land
made of beautiful rainbow colors.

Draw a line from each colorful butterfly
to the matching color word.

red

green

orange

blue

yellow

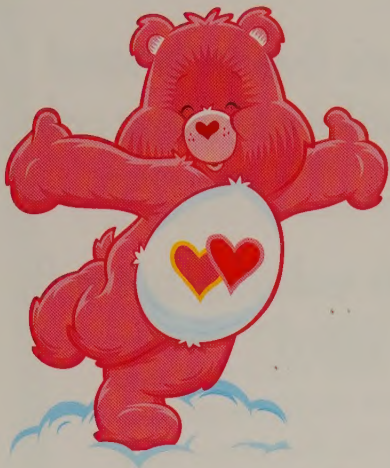

pink

white

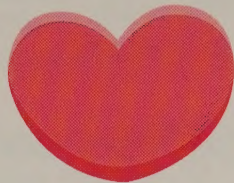

purple

Pink

Pink

white

white

Pitch in and make the world a better place.
Color all the hearts your favorite
colors. Leave the stars white.

Dare to care!

START

Then draw a path along the
white stars to show America
Cares Bear the way to her flag.

FINISH

Rainbow Garden

It's all about
colors!

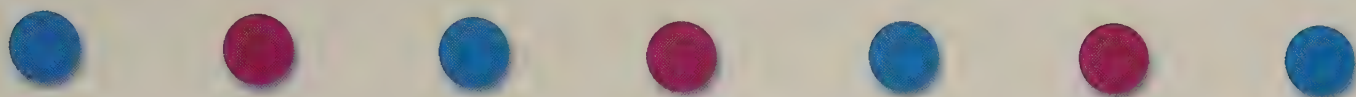

Colors rule!

Friend Bear shares flowers with
her best bud, Love-a-lot Bear.
The two of them have made
colorful patterns.

Name the flower colors in each
row. Then circle the flower that
comes next.

More Flower Patterns

Look at these colorful patterns. Name the flower colors in each row. Then color the flower to show what comes next.

Color All-Stars

Give your best to be your best.

Trace each color word then color each trophy to match the word.

yellow

green

white

purple

You're a winner!

Wishes, Hopes, Dreams

It's a star-speckled,
rainbow-trimmed, cloud world.

Our Care
Bears wish
for you ...

... "May all
your dreams
come true!"

Trace the letters of the name of the Care Bears' home.

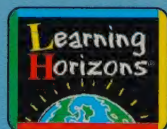

Care-a-lot

Look for these
other Care Bears™
products from
Learning
Horizons®

The new Care Bears™ wipe-off books from Learning Horizons® encourage improved learning by appealing to children's natural love of repetition. Children may write, draw, and color on the activity pages and then wipe them off and do it all over again...and again! These books can be used with water-based markers or crayons. Each full-color 24-page book promotes sound early educational skills through fun activities with favorite characters.

In this book, your child will help the Care Bears™ explore colors in the rainbow-trimmed world of Care-a-lot. Rainbow of Colors teaches the seven basic colors of the rainbow spectrum, plus black and white, through fun-filled activities with "America's teddy bears."
